

2005 Kids Grow with Dutch Bulbs Award Program

- 1. What happens to bulbs after you put them in the ground?**
- 2. What do you think the bulbs are doing while they're underground during the winter?**
- 3. Is there anything you've learned from planting these bulbs?**
- 4. Do you know the names of any of the bulbs you planted?**
- 5. What do flowers need to live after they bloom?**
- 6. How do the bulbs know that it's time to be a flower?**
- 7. Do you have a favorite flower?**

If you'd like to respond to this survey by e-mail, please send a note to mareeg@gardeners.com and we'll send this form to you by e-mail.

Thanks!
